Dear Sir,

Sub: **Update on Jonnagiri Gold Project - intimated by Geomysore Services (India) Private Limited (GMSI)**

We are pleased to announce that we have been informed by GMSI that a pilot process plant for producing gravity gold concentrates has been commissioned at their key Jonnagiri Gold Project in Andhra Pradesh. This Plant will be producing gravity gold concentrates from the gold ore that is being mined from the open pit at Jonnagiri ML area which is already in operation.

As shareholders are aware, the Company is in the process of acquiring a significant stake in GMSI through a Composite Scheme of Arrangement and are encouraged to refer to our earlier Updates in this regard.

We request the BSE to take the above information on record and oblige.

Thanking you,

Yours sincerely,

For DECCAN GOLD MINES LIMITED
