INDEPENDENT AUDITORS' REPORT

To,
Deccan Exploration Services Private Limited

Report on the Audit of the IND AS Financial Statements

1. Opinion

We have audited the accompanying Ind AS financial statements of **Deccan Exploration Services Private Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2024, and the Statement of Profit and Loss (including other comprehensive income), the statement of Cash Flows and the statement of changes in equity for the year then ended, and notes to the financial statement including a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements")

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31 March 2024, and its financial performance including comprehensive income, its cash flows and the change in equity for the year ended on that.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Material Uncertainty Related to Going Concern

We draw attention to Note 30 in the financial statements with regard to the impact of Mining Lease Related matters, which are self-explanatory. Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

5. Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements, that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind As) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; for safeguarding the assets of the Company; for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditors Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **Annexure "B"** a statement on the matters specified in paragraphs 3 and 4 of the Order.
- B. As required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - The IND AS Balance sheet, the statement of profit and loss including other comprehensive income, the statement of cash flow and the statement of changes in equity dealt with by this report are in agreement with the books of account.
 - In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rule issued thereunder.
 - On the basis of the written representations received from the directors as on 31 March, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - We have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date and our report dated 30th May, 2024 as per **Annexure "A"** expressed.
- C. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its directors during the current year under Section 197 of the Act.
- D. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure "A" to the IND AS Independent Auditor's Report

1. Independent Auditor's report on the Internal Financial Controls with reference to financial statements and its operative effectiveness under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Ind AS financial statements of **Deccan Exploration Services Private Limited** ("the Company") as of and for the year ended 31st March, 2024, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

2. Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the criteria being specified by management. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements, that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

4. Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles including the Accounting Standards. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles including Accounting Standards, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the criteria being specified by management.

DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU

Notes to financial statements for the year ended 31st March, 2024

Note – 1: SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31st March, 2024

A. Basis of preparation of financial Statements

The standalone Ind AS financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provision of the Companies Act, 2013 (to the extent notified) and guideline issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment rules, 2016.

The accounting policies adopted in the preparation of standalone Ind AS financial statement are consistent with those of previous year.

B. Use Of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions effect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenditure during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding these estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

C. Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Income from sale of metals obtained on exploration are recognized on despatch.
- ii. Exploration Consultancy Income is recognized when services are rendered and as per agreed terms.
- iii. Interest Income is recognized on accrual basis.
- iv. Dividend Income is accounted on accrual basis when the right to receive the dividend is established.
- v. All other income are accounted on accrual basis.

D. Property, plant and equipment:

Fixed assets are stated at cost of acquisition less accumulated depreciation if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready to use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Vehicles	8 Years
Computers	3 Years
Furniture	10 Years
Office Equipment	10 Years
Plant & Machinery	10 Years
Software	3 Years

DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU

Notes to financial statements for the year ended 31st March, 2024

Depreciation will be provided on estimated useful lives and residual value are reviewed periodically, including at each financial year end.

Mining Development Expenditure will be amortized or depreciated on the basis of the quantity of ore mined in proportion to the total estimated reserve.

Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use the assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work – in - progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

E. Exploration and Evaluation Assets

Exploration and evaluation assets comprise capitalized costs which are attributable to the search for gold and related resources, pending the determination of technical feasibility and the assessment of commercial viability of an identified resource which comprises inter alia the following:

- researching and analyzing historical exploration data;
- gathering exploration data through topographical, geo chemical and geo physical studies;
- exploratory drilling, trenching and sampling;
- determining and examining the volume and grade of the resource;
- surveying transportation and infrastructure requirements;
- Conducting market and finance studies.

The above includes employee costs, cost of materials, and fuel used, other direct costs, payments to contractors etc. As the intangible component represents an insignificant/indistinguishable portion of the overall expected tangible costs to be incurred and recouped from future exploitation, these costs along with other capitalized exploration costs are recorded as exploration and evaluation asset.

Exploration and evaluation costs are capitalized on a project by project basis pending determination of technical feasibility and commercial viability of the project and disclosed as a separate line item under non-current assets. They are subsequently measured at cost less accumulated impairment/provision. Once proved reserves are determined, exploration and evaluation assets are transferred to "Development" under capital work in progress. However, if proved reserves are not determined, the exploration and evaluation asset is derecognized.

F. Development Expenditure

DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU

Notes to financial statements for the year ended 31st March, 2024

When the Technical and Commercial Feasibility are obtained and the legal rights to explore the mine are obtained the cost so incurred and capitalized as exploration and evaluation cost is recognized as assets under construction and disclosed as a component of capital work in progress under the head "Development".

G. Intangible assets:

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over the respective individual estimated useful lives on a straight – line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

H. Leases:

i) As a lessee

Assets taken on lease are accounted as right-of-use assets and the corresponding lease liability is recognised at the lease commencement date.

Initially the right-of-use asset is measured at cost which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, as reduced by any lease incentives received.

The lease liability is initially measured at the present value of the lease payments, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or a rate, or a change in the estimate of the guaranteed residual value, or a change in the assessment of purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The right-of-use asset is measured by applying cost model i.e. right-of-use asset at cost less accumulated depreciation and cumulative impairment, if any. The right-of-use asset is depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset whichever is earlier. Carrying amount of lease liability is increased by interest on lease liability and reduced by lease payments made.

Lease payments associated with following leases are recognised as expense on straight-line basis:

- a. Low value leases; and
- b. Leases which are short-term

Assets given on lease are classified either as operating lease or as finance lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Asset held under finance lease is initially

DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU

Notes to financial statements for the year ended 31st March, 2024

recognised in balance sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease.

The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis. The Company presents underlying assets subject to operating lease in its balance sheet under the respective class of asset.

ii) As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

I. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account as and when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

J. Employee Benefits

- a. Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- b. Post-employment benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The defined benefit obligation is provided for on the basis of an actuarial valuation on projected unit cost method.
- c. Long Term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The liabilities on account of Gratuity have been provided on basis of an actuarial valuation.

K. Taxation

- a. Provision for current tax is made with reference to taxable income computed for the accounting period, for which the financial statements are prepared by applying the tax rates as applicable.
- b. The company is incurring losses and the mining operations have not yet commenced pending the Licenses from the Government. In absence of virtual certainty of sufficient future taxable income, the deferred tax asset has not been recognised by way of prudence in accordance with the Indian Accounting Standard 12 "Income Taxes" issued by the Institute of Chartered Accountants of India.

L. Borrowing Cost

DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU

Notes to financial statements for the year ended 31st March, 2024

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

M. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes to the accounts. Contingent Assets are neither recognized nor disclosed in the financial statements.

N. Segmental Reporting

The Company is mainly engaged in the business of mining and exploration of gold. Considering the nature of business and financial reporting of the Company, the Company has only one segment at present viz., Gold Mining and Exploration as reportable segment.

O. Foreign Currency

Functional Currency

The functional currency of the company is the Indian Rupee. The financial statements are presented in Indian Rupees (Rounded off to Thousands).

Transactions and translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cashflow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

5) Actuarial Assumptions

(Rs. In '000)

Particulars	Gratuity Funded	
	2023-24	2022-23
Discount Rate (per annum)	7.20%	7.45%
Rate of Escalation in Salary (per annum)	6.00%	6.00%

6) Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given:

(Rs. In '000)

Particulars	As at 31 st March, 2024		As at 31 st March, 2023	
	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 0.5%)	16	14	44	43
Change in rate of Salary increase (delta effect of +/-0.5%)	14	16	43	44

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

- Investment risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
- Interest risk:** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.
- Longevity risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
- Salary risk:** The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Note 31: Ganajur Mining Lease (ML) Application

The Company had filed a Writ Petition before the Hon'ble High Court of Karnataka on September 13, 2021 seeking setting aside of the 'Speaking Order' dated July 16, 2021 passed by the Central Government (holding its prior approvals for Ganajur ML as inconsequential and infructuous in the light of the MMDR Amendment Act, 2021) and grant of the Ganajur Mining Lease. Ministry of Mines, Government of India; Indian Bureau of Mines, Nagpur; Department of Commerce & Industries (MSME & Mines), Government of Karnataka and the Department of Mines & Geology, Government of Karnataka are the Respondents to this Writ Petition.

In the meanwhile, there was Judgement in the case of Indocil Silicons Pvt. Ltd Vs Union of India delivered by the Hon'ble High Court of Karnataka the facts of which were substantially similar to that of the Company. In the light of this, the Company had also included the salient features of this Judgement by way of an amendment to its original writ petition. The Hon'ble Karnataka High Court, at its hearing held during January, 2023 directed that (a) the next date of hearing on the Company's Writ Petition will be fixed after the decision of the Hon'ble Supreme Court in re:Indocil. It also directed that its interim order passed in the matter viz., the Respondent State not to take any precipitative action against the Company would continue till such time and granted time of 4 weeks to the Respondents to file their Statement of Objections to the Company's Writ Petition. Two of the Respondents viz., Government of India and the Indian Bureau of Mines filed their Statement of Objections and the Company had filed its Rejoinder to the same during May, 2023.

In the meanwhile, in order to protect its interests in the matter, the Company filed an Impleadment Application before the Hon'ble Supreme Court which has been accepted. The Indocil matter is now fixed for hearing on 16/07/2024 (computer generated) as per the information available on the website of the Hon'ble Supreme Court.

In view of the above facts, the management of the Company considers it prudent to continue to show the Capital WIP in respect of Ganajur Gold Project in its books.

North Hutti Block Prospecting Licence (PL) applications:

- The Company had filed a Writ Petition (No. 12867/2022) before the Hon'ble High Court of Karnataka on 05/01/2023. The Company's Ganajur Writ Petition (No. 17018/2021) came up for hearing before the Hon'ble Karnataka High Court on 05/01/2023 and the Hon'ble High Court (after hearing the Counsels) directed that:
 - (a) The next date of hearing on the WP will be fixed after the decision of the Hon'ble Supreme Court *in re: Indocil*. The interim order passed in the matter viz., the Respondent State not to take any precipitative action against the petitioner (DESPL) would continue till such time.

**DECCAN EXPLORATION SERVICES PRIVATE LIMITED
BENGALURU**

Notes to financial statements for the year ended 31st March, 2024

- (b) Granted time of 4 weeks' to the Respondents to file their statement of objections, if any, to the Company's Writ Petitions.

The Company is following up with its Legal Counsel on the developments in this Writ Petition.
