b. OPERATIONS AND STATE OF AFFAIRS :

Details on the operations of the Company and status of its projects in India as well as market announcements made from time to time can be accessed at www.deccangoldmines.com and www.bseindia.com (BSE Scrip Code: 512068).

Significant developments during the year under review are summarized hereunder:

Acquisition of stake in Geomysore Services (India) Private Limited (GMSI):

Pursuant to receiving regulatory and statutory approvals, the Company completed acquisition of 41.81% stake in GMSI (7,20,373 shares in GMSI at an Issue Price of Rs. 1,606.09 per share) on March 2, 2023 under a share swap arrangement. As consideration, the Company had issued 3,35,07,789 equity shares of Re.1/- each at an Issue Price of Rs.33.05/- per share and 1499276 Compulsorily Convertible Debentures (CCDs) of Re.1/- each at an Issue Price of Rs. 33.05/- per CCD. The Fair Value of equity shares of GMSI and equity shares / CCDs of DGML and the share swap ratio were arrived at by an independent registered valuer.

As our shareholders are aware, GMSI is a gold exploration company and has a granted and executed Mining Lease over its Jonnagiri Gold Project in the State of Andhra Pradesh. More details about GMSI and the Jonnagiri Gold Project are available in our market updates made to BSE from time to time.

Ganajur Mining Lease Application (WP No. 17018/2021) and North Hutti Block Prospecting Licence (PL) applications (WP No. 12867/2022):

As shareholders are aware, our wholly-owned subsidiary viz., Deccan Exploration Services Private Limited (DESPL) had filed a Writ Petition before the Hon'ble High Court of Karnataka on September 13, 2021 seeking setting aside of the 'Speaking Order' dated July 16, 2021 passed by the Central Government (holding its prior approvals for Ganajur ML as inconsequential and infructuous in the light of the MMDR Amendment Act, 2021) and grant of the Ganajur Mining Lease. Ministry of Mines, Government of India; Indian Bureau of Mines, Nagpur; Department of Commerce & Industries (MSME & Mines), Government of Karnataka and the Department of Mines & Geology, Government of Karnataka are the Respondents to this Writ Petition.

DESPL had also filed an Amendment Application (during 2022) before the Hon'ble High Court of Karnataka incorporating the salient features of the Judgment dated May 27, 2022 passed by the Hon'ble High Court in an identical matter in Indocil Silicons Pvt., Ltd., & Ors vs. Union of India & Ors. (W.P. 1920/2021) ("Indocil")

Further, DESPL had also filed a Writ Petition (12867/2022) before the Hon'ble High Court of Karnataka seeking quashing of the Order dated 14/02/2022 passed by the Secretary (MSME & Mines), Commerce & Industries Department, Government of Karnataka ("C & I"). Vide this Order, the C & I had ordered that the 8 PL applications filed by DESPL over the North Hutti Block in Karnataka have not fulfilled the requirements of Section 10A(2)(b) of the MMDR Act, 1957 and further the PL applications have lapsed as per Proviso No. 1 to Section 10A(2)(b) inserted vide MMDR Amendment Act, 2021 with effect from March 28, 2021.

Both the Writ Petitions came up for hearing on January 5, 2023 before the Hon'ble High Court of Karnataka. It was pointed out to the Court that the State Government has challenged the Judgment dated May 27, 2022 passed by the Hon'ble High Court in Indocil before the Hon'ble Supreme Court by way of SLP (Civil) No. 15692 of 2022. After hearing the parties, the Hon'ble High Court directed that (a) the next date of hearing on the Writ Petitions will be fixed after the decision of the Hon'ble Supreme Court in re: Indocil. In the meanwhile, the interim order passed in the matter viz., the Respondent State not to take any precipitative action against DESPL would continue till such time and granted time of 4 weeks' to the Respondents to file their statement of objections to DESPL's Writ Petitions.

During May, 2023 DESPL filed its Rejoinder to the joint Statement of Objections filed by two of the Respondents (Government of India and the Indian Bureau of Mines) to its Ganajur Writ Petition No. 17018/2021.

In order to protect its interests and to state its case / merits, DESPL also filed an Intervention / Impleadment Application (No. 50253 of 2023) in SLP (Civil) No 15692 of 2022 before the Hon'ble Supreme Court in State of Karnataka and Another (Petitioner) Vs. Indocil Silicons Pvt., Ltd., and Another. At the hearing held in the matter on May 15, 2023 the Hon'ble Supreme Court Bench acknowledged the Intervention Application filed by DESPL and stated that they will hear all the stakeholders including the intervenors and listed the matter for hearing on August 8, 2023. However, the matter did not come up for hearing on the said date and as per the information available on Hon'ble Supreme Court website is tentatively listed on September 5, 2023.

Bhalukona-Jamnidihi Nickel, Chromium and Associated PGE Block in Chhattisgarh

As shareholders are aware, the Company had submitted its Technical Bid and participated in the e-auction held for the captioned Block on March 6, 2023 conducted through the online portal of MSTC (official agency authorized by the Government to conduct e-auctions for mineral blocks).

Bhalukona-Jamnidihi Block covers an area of 30 sq kms and forms part of Neo-archean Sonakhan Schist Belt in the NE fringe of Bastar Craton and represents a wide spectrum of volcano-volcanoclastic rocks of Sonakhan and Bilari Group, mafic-ultramafic intrusives, undeformed granitoids, younger dykes and quartz veins. Based on initial sampling data of GSI, the area requires further prospecting to facilitate mining operations and was therefore recommended for grant of Composite Licence through e-auction process.

On May 22, 2023 the Company received an official intimation from Government of Chhattisgarh that the Company has been selected as the "Preferred Bidder" in respect of the Bhalukona-Jamnidihi Block on the basis of the e-auction conducted on March 6, 2023. As required under the terms and conditions of the tender document, the Company has furnished Performance Security for an amount of Rs. 1.5 crore in favour of the Government of Chhattisgarh. We are following up with the Government of Chhattisgarh for completion of the further statutory / regulatory requirements and procedures.

All the above facts have been disclosed in our periodical market updates made to the BSE and shareholders are encouraged to refer to the same.

There was no change in nature of the business of the Company, during the year under review.

c. REPORT ON PERFORMANCE OF SUBSIDIARY:

The Company holds 13,555 (100%) shares in Deccan Exploration Services Private Limited (DESPL) and 11,700 shares (99.99%) in Deccan Gold Tanzania Private Limited, Tanzania (DGTPL) as on March 31, 2023. In view of the provisions of the Companies Act, 2013 ('the Act'), DESPL is a wholly owned subsidiary company and DGTPL is a subsidiary company. Pursuant to the provisions of Section 129 of the Act, the accounts of DESPL & DGTPL have been consolidated into the Company's accounts. Further, consequent to acquisition of 41.81% stake in

ANNEXURE - 3**STATEMENT ON MANNER OF EVALUATION OF BOARD OF DIRECTORS,
COMMITTEE AND INDIVIDUAL DIRECTORS:**

The Companies Act, 2013 has prescribed a new set of meeting known as exclusive meeting by Independent Directors to assign more responsibility and power to Independent Directors. As per Schedule IV of the Companies Act, 2013, the Independent Directors shall hold at least one meeting in a year, without the attendance of Non-Independent Directors and members of the management and all such directors shall strive to be present at the meeting.

The Independent Directors of the Company held such meeting on September 28, 2022. Amongst other matters, they reviewed the performance of Non-Independent Directors, and the Board as a whole, the performance of the Chairperson of the Company, taking into account the views of Executive Director and Non-Executive Directors; and assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Evaluation Criteria of the Board's performance:

During the year under review, the Board evaluated its performance as well as that of its Committees and individual Directors, including the Chairman of the Board. The exercise was carried out through a process covering various aspects of the Board functioning such as composition of the Board and Committees, experience and competencies, performance of specific duties and obligations, governance issues etc., Separate exercise was carried out to evaluate the performance of individual Directors including the Board Chairman who were evaluated on parameters such as attendance, contribution at the meetings and otherwise, independent judgment, safeguarding of minority shareholders interest etc., The evaluation of the Independent Directors was carried out by the entire Board and that of the Chairman and the Non-Independent Directors were carried out by the Independent Directors.

ANNEXURE - 4

DISCLOSURE FOR RATIO OF REMUNERATION OF EACH DIRECTOR TO THE MEDIAN EMPLOYEE'S REMUNERATION AND OTHER DETAILS AS PER RULE 5 OF THE COMPANIES (APPOINTMENT & REMUNERATION) RULES, 2014

Median remuneration for the financial year 2022-23 was Rs.15,85,176 per annum. The ratio of the median remuneration to his remuneration is 1 : 3 (approx).

During the financial year, the percentage increase in remuneration of Key Managerial Personnel is 'Nil'.

As at the end of the year, there were 6 permanent employees on the rolls of the Company. But for one employee in the category of driver and office assistant, all the other employees were paid only part of their salary for the year under review. The percentage increase in the median remuneration of employees in the financial year is 'Nil'.

The monthly remuneration of Dr Hanuma Prasad Modali, Managing Director is Rs. 1,40,000/-; Mr Subramaniam Sundaram, Whole-time Director & CS is Rs. 4,00,000/- and that of Mr Karunakaran K. is Rs. 2,72,500/-.

Being a gold exploration company and considering the fact that the Company is yet to generate revenues, relationship between average increase in remuneration of employees / key managerial personnel and the Company's performance is not comparable. Further, there has been no salary increases during the year 2022-23.

The ratio of the remuneration of the highest paid director to that of the employees who are not directors but receive remuneration in excess of the highest paid director during the year - Not applicable

It is affirmed that the remuneration is as per the remuneration policy of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INTRODUCTION

Deccan Gold Mines Limited (“DGML”) is the first and only gold exploration Company listed on the Bombay Stock Exchange Limited (BSE). It was established in the year 2003 by Australian promoters with deep roots in the mining and exploration sector. Since its inception, DGML and its wholly owned subsidiary Deccan Exploration Services Private Limited (DESPL) actively pursued gold exploration activities through adoption of modern methods and latest technology in all of its exploration prospects.

Since the change in management in October, 2021 the Company has taken significant efforts to expand its portfolio in India and overseas.

INDUSTRY REVIEW

Gold plays an important and significant role in the economy of every nation, more so in India because gold is an integral part of the cultural ethos of our country.

Till a decade ago, India was the highest consumer and importer of gold which was in the range of 600 to 800 tonnes per annum which increased to 900 to 1000 tonnes per annum in the past decade.

India's gold imports, which have a bearing on the current account deficit dipped 24.15% to USD 35 billion in 2022-23 due to global economic uncertainties according to data from the Commerce Ministry, Government of India. Import of the yellow metal stood at USD 46.2 billion in 2021-22.

(Source: <https://economictimes.indiatimes.com/markets/commodities/news/gold-imports-dip-24-to-35-billion-in-2022-23/articleshow/100047020.cms?from=mdr>)

India continues to be the second largest gold market in the World accounting for about 25% of global gold demand. India's gold demand is primarily for catering to manufacturing of jewellery (73%) for export and domestic consumption; coins (6.9%); industrial usages (1.4%); ETFs (2.7%); and bullion (15.9%). (Source: NITI Aayog's publication “Transforming India's Gold Market – February, 2018).

PERFORMANCE

Details about the operations of the Company including acquisition of stake in Geomysore Services (India) Private Limited and other developments including Ganajur Gold Project and North Hutti Block Prospecting Licence (PL) applications which are presently before the Hon'ble High Court of Karnataka are provided elsewhere in the Directors' Report forming part of this Annual Report.

It is pertinent to note that exploration companies by their very nature will not generate mining revenues until commencement of mining operations.

RISKS AND CONCERNS

About 4,000 tonnes is the current global demand for gold. Because of its high conductivity and non-oxidising property, gold has many practical uses in industry. Its durability under the most corrosive conditions and attractive golden-yellow colour has led to its widespread use in jewellery manufacturing.

India's share in the global gold production is less than 0.05% despite being endowed with the potential to establish multiple new gold mines. About 700 tonnes of gold resources have been defined in different parts of India through drilling by GSI, MECL and private players. Apart from this, a large area of 280,000 sq km has been identified by GSI as having the geological potential to trigger new discoveries of gold resources. All this potential awaits to be unlocked.

On January 12, 2015 the MMDR Amendment Act, 2015 came into force. Post this, the Ministry of Mines has taken a series of steps to encourage the States to auction large numbers of Composite Licence (CL) Blocks (PL cum ML) for gold and other such deep-seated minerals. However, the response received from the industry for picking up these CL Blockshas not been up to expectations due to unattractive exploration data and the small size of the CL Blocks (<25 sq km) and the least attractive auction-mode of granting licence for exploration. Even after the grant

DECCAN GOLD MINES LIMITED

of CL under auction route, delays / complexities involved in the grant of various statutory clearances required for conducting exploration and mining including challenges in land acquisition, mineral processing and dumping of waste rocks and tailings mean that it'll take several years for a Project to reach the production stage.

India, despite being a pioneer in gold mining and mineral processing and the very first country to use technologies to do mining at depths of over 3 km is currently trailing behind most gold-producing countries.

To sum up, the aim of Government should be maximization of mineral production leading to revenue generation through employment, royalties and taxes and not just revenue maximization through auction.

OUTLOOK AND OPPORTUNITIES

Being India's only gold exploration company listed on the BSE, Deccan Gold Mines Limited has successfully enlarged its foot print in India and overseas and is set to become a junior to mid-tier gold producing company.

During March, 2023 the Company successfully completed acquisition of a significant stake in Geomysore Services (India) Private Limited (GMSI) which has got an advanced stage gold project at Jonnagiri, Andhra Pradesh and close to production.

During March, 2023, the Company also successfully participated in the e-auction for the Bhalukona-Jamnidihi Block in Chhattisgarh for Nickel, Chromium and associated PGE Block in the State of Chhattisgarh and more details are given in elsewhere in the Directors' Report forming part of the Annual Report.

During July, 2023 the Company has also initiated action to secure 60% stake in Avelum Partners LLC, Kyrgyzstan which has got an advanced stage gold project in Altyn Tor, Kyrgyzstan. Further, the Company is also initiated action to acquire 32% stake in Kalevala Gold Oy, Finland which has got gold exploration prospects in Finland.

It may also be noted that the Company has started providing mineral exploration consultancy services for clients in India / abroad. Towards this end, the Company entered into Strategic Alliance Agreements with (i) AK Corporation-FZCO, United Arab Emirates for setting up of processing plants for gold mining industry and (ii) Kartikay Exploration and Mining Services Pvt., Ltd., Nagpur, India for execution of mineral exploration and drilling work.

During August, 2023 the Company incorporated a wholly owned subsidiary under the name of Deccan Gold - FZCO, Dubai for the purpose of providing Geological consultancy and related services. This is expected to strengthen and consolidate the company's consultancy vertical.

More details on the above transactions are available on the market updates made by the Company which can be accessed at www.deccangoldmines.com / www.bseindia.com (BSE Scrip Code: 512068).

On the legislative and regulatory front, it may be noted that the MMDR Amendment Act, 2023 was passed during July, 2023. This Act has introduced the concept of Exploration Licence for 29 minerals including gold. Exploration Licences are proposed to be granted by the concerned State Government (s) through competitive bidding over an area of up to 1000 sq kms and they will be issued for a period of 5 years (extendable by a further period of two years on the request of the Licensee). Within 3 months of completion of the operations or expiry of the licence, the licensee shall submit a geological report regarding findings.

If resources are proven after exploration, the State Government conducts auction for mining lease within 6 months of submission of report by the Licensee. The Licensees will receive a share in the auction value of the mining lease for the mineral prospected by him. The share will be prescribed by the Central Government. If auction is not completed within the specified period, the State Government will pay an amount prescribed by the Central Government to the Licensee. This is expected to act as an incentive to prospective explorers under an Exploration Licence.

To conclude, DGML is well equipped to take advantage of any business opportunity that will arise and has got a well experienced technical team to assist it in achieving its objectives of creating long-term value for its shareholders.

ADEQUACY OF INTERNAL CONTROL

The Company has in place adequate internal control systems commensurate with its size and operations, which assure proper recording of transactions of its operations and also ensure protection against misuse or loss of the Company's assets. The Company has constituted an Audit Committee and has assigned to it tasks that will further strengthen the internal audit system.

SUSTAINABLE DEVELOPMENT

DGML is committed to sustainable development; we believe in creating sustainable values that our employees, business partners and shareholders can uphold and believe in. We strive to meet the needs of all our stakeholders. DGML believes in making a positive contribution to the community in which we are involved.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of the applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include the availability of economically viable deposits, changes in Government regulations, tax regimes, economic developments in India and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Deccan Gold Mines Limited

Report on the Audit of the IND AS Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone Ind AS financial statements of **Deccan Gold Mines Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including other comprehensive income), the statement of Cash Flows and the statement of changes in equity for the year then ended, and notes to the financial statement including a summary of significant accounting policies and other explanatory information (herein after referred to as "**standalone Ind AS financial statements**")
2. In our opinion and to the best of our information and according to the explanation given to us, the aforesaid Ind AS standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31 March 2023, and its Loss including comprehensive income, its cash flows and the change in equity for the year ended on that.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Ind AS Financial Statements and auditor's report thereon

5. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.
6. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements, that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles

generally accepted in India, including the Indian Accounting Standards (Ind As) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; for safeguarding the assets of the Company; for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors Responsibility for the Audit of the Standalone Ind AS Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

16. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
17. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Standalone Ind AS Balance sheet, the standalone statement of profit and loss including other comprehensive income, the statement of cash flow and the statement of changes in equity dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards (Ind As) specified under Section 133 of the Act, read with relevant rule issued thereunder.
 - e. On the basis of the written representations received from the directors as on 31 March, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
 - h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which may impact its standalone Ind AS financial statements;
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company does not have any amounts that pending to be transferred to the Investor Education and Protection Fund.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding,

- whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company

ANNEXURE B TO THE STANDALONE IND AS INDEPENDENT AUDITOR'S REPORT

Independent Auditor's report on the Internal Financial Controls with reference to financial statements and its operative effectiveness under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the standalone Ind AS financial statements of Deccan Gold Mines Limited ("the Company") as of and for the year ended 31st March, 2023, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the criteria being specified by management. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements, that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles including the Accounting Standards. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles including Accounting Standards, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the criteria being specified by management.

DECCAN GOLD MINES LIMITED

DECCAN GOLD MINES LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

Note-1: SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31.03.2023.

A. Basis of preparation of financial Statements

The standalone Ind AS financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of the Companies Act, 2013 (to the extent notified) and guideline issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment rules, 2016.

The accounting policies adopted in the preparation of standalone Ind AS financial statement are consistent with those of previous year.

B. Use Of Estimates

The standalone Ind AS financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of the Companies Act, 2013 (to the extent notified) and guideline issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment rules, 2016.

The accounting policies adopted in the preparation of standalone Ind AS financial statement are consistent with those of previous year.

C. Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Exploration Income is recognized when services are rendered.
- ii. Interest Income is recognized on accrual basis.
- iii. Dividend Income is accounted on accrual basis when the right to receive the dividend is established.
- iv. Consultancy Income is recognized as and when services are rendered.

D. Property, plant and equipment:

Fixed assets are stated at cost of acquisition less accumulated depreciation if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready to use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Vehicles	08 years
Computer	03 years
Furniture	10 years
Office Equipment	10 years
Plant & Equipment	10 years
Software	03 years

Notes to Standalone financial statements for the year ended 31st March 2023 Depreciation methods, useful lives and residual value are reviewed periodically, including at each financial year end.

“Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use the assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013”.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under ‘Capital work – in - progress’. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably .Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred .The cost and related accumulated depreciation are eliminated from the financial statements

DECCAN GOLD MINES LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.**

upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

E. Exploration and Evaluation Assets

Exploration and evaluation assets comprise capitalized costs which are attributable to the search for gold and related resources, pending the determination of technical feasibility and the assessment of commercial viability of an identified resource which comprises inter alia the following:

- researching and analyzing historical exploration data;
- gathering exploration data through topographical, geo chemical and geo physical studies;
- exploratory drilling, trenching and sampling;
- determining and examining the volume and grade of the resource;
- surveying transportation and infrastructure requirements;
- Conducting market and finance studies.

The above includes employee remuneration, cost of materials and fuel used, payments to contractors etc. As the intangible component represents an insignificant/indistinguishable portion of the overall expected tangible costs to be incurred and recouped from future exploitation, these costs along with other capitalized exploration costs are recorded as exploration and evaluation asset.

Exploration and evaluation costs are capitalized on a project by project basis pending determination of technical feasibility and commercial viability of the project and disclosed as a separate line item under non-current assets. They are subsequently measured at cost less accumulated impairment/provision. Once proved reserves are determined, exploration and evaluation assets are transferred to "Development" under capital work in progress. However, if proved reserves are not determined, the exploration and evaluation asset is derecognized.

F. Development Expenditure

When proved reserves are determined, capitalized exploration and evaluation cost is recognized as assets under construction and disclosed as a component of capital work in progress under the head "Development". All subsequent development expenditure is also capitalized.

G. Intangible assets:

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over the irrespective individual estimated useful lives on a straight – line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

H. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account as and when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

I. Investments

1. Financial instruments
 - I. Financial assets
 - II. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

2. Subsequent measurement**a. Financial assets carried at amortised costs: (AC)**

Financial assets are subsequently measured at amortised costs if it is held within a business model and whose objective is to hold the asset in order to collect the contractual cash flows and contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal interest on the principal amount outstanding.

DECCAN GOLD MINES LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

b. Financial assets at fair value through other comprehensive income: (FVTOCI)

A financial assets is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal interest on the principal amount outstanding.

c. Financial assets at fair value through profit and loss (FVTPL)

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

3. Equity instruments

All equity investments are measured at fair value, with value changes recognised in the statement of profit and loss, except for those equity investments for which the company has elected to present the value changes in 'other comprehensive income'.

4. Investment in Subsidiaries and Associates and Joint Venture :

The company has accounted for its investments in Subsidiaries and Associates and Joint Venture at cost and at amortised cost.

J. Foreign Currency

Functional Currency

The functional currency of the company is the Indian Rupee. The financial statements are presented in Indian Rupees (Rounded off to Thousands).

Transactions and translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cashflow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

K. Employee Benefits

- Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- Post employment benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The defined benefit obligation is provided for on the basis of an actuarial valuation on projected unit cost method.
- Long Term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services.

L. Taxation

- Provision for current tax is made with reference to taxable income computed for the accounting period, for which the financial statements are prepared by applying the tax rates as applicable.
- The Company has carried forward losses under Tax Laws. In absence of virtual certainty of sufficient future taxable income, deferred tax asset has not been recognized by way of prudence in accordance with Indian Accounting Standard 12 "Income Taxes" issued by The Institute of Chartered Accountants of India.

M. Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

DECCAN GOLD MINES LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.****N. Provisions, Contingent Liabilities and Contingent Assets:**

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes to the accounts. Contingent Assets are neither recognised nor disclosed in the financial statements.

O. Segmental Reporting:

The Company is mainly engaged in the business of gold exploration and mining. Considering the nature of business and financial reporting of the Company, the Company has only one segment viz; Gold Mining & Exploration.

Discount Rate (per annum)	7.45%	7.15%
Rate of Escalation in Salary (per annum)	6.00%	6.00%

7) Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given: (Amount in Rs '000)

Particulars	As at 31st March, 2023		As at 31st March, 2022	
	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/-0.5%)	7,875	7,606	8,011	7,726
Change in rate of Salary increase (delta effect of +/-0.5%)	7,604	7,875	7,724	8,012

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

a) Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

b) Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

c) Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan

DECCAN GOLD MINES LIMITED

DECCAN GOLD MINES LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

participants will increase the plan's liability.

d)Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

DECCAN GOLD MINES LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

Note 30: Acquiring stake in Geomysore Services (India) Private Limited (GMSI) pursuant to a share swap:

At its meeting held on November 30, 2022 the Board had approved the proposal for acquisition of stake in Geomysore Services (India) Private Limited ("GMSI"). The Board noted that the acquisition of stake in GMSI was proposed to be achieved through a share swap which involves issue of equity shares and Compulsorily Convertible Debentures (CCDs) by the Company at the valuation / swap ratio as detailed in the joint Valuation Report dated November 30, 2022 issued by the Registered Valuer.

Subsequently, the shareholders of the Company had approved the proposal at their Extraordinary General Meeting held on December 23, 2022.

Accordingly, the Company had made an 'in-principle approval application to the Bombay Stock Exchange Limited (BSE) for issue of 3,35,07,789 equity shares at an issue price of Rs. 33.05/- per share (including a premium of Rs. 32.05/-) and 14,99,276 Compulsorily Convertible Debentures (CCDs) at an issue price of Rs. 33.05/- per CCD (including a premium of Rs. 32.05/-) to acquire 720,373 equity shares of GMSI at an issue price of Rs. 1606.09/- per share (of face value of Re.1- each). The price per share of the Company and GMSI and the swap ratio were arrived at based on the Valuation Report noted above.

The BSE accorded its 'in-principle' approval on February 21, 2023 and the Company completed the allotment of equity shares and CCDs towards acquisition of 720,373 equity shares of GMSI as noted above.

During September, 2022 the Company withdrew the Composite Scheme of Arrangement that it had filed with the Bombay Stock Exchange Limited, Mumbai (BSE) on October 20, 2021 due to the delay in the processing of the Application coupled with the substantial change in the shareholding pattern of GMSI since the filing of the Scheme with BSE.

By way of background, GMSI is a multi-metal exploration company based in Bangalore, India and has got a portfolio of mineral prospects which include mineral concession applications over the Kolar Gold Belt and the key Jonnagiri Gold Project in Andhra Pradesh over which it holds a granted and executed Mining Lease (ML).

Note 31: Fair Value measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans, security deposits and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 32: Financial Risk Management

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

DECCAN GOLD MINES LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through the managing board, which evaluates and exercises independent control over the entire process of market risk management. The managing board recommend risk management objectives and policies, which are approved by Senior Management.

Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Note 33: Capital risk management**(a) Risk Management**

The Company aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary, adjust, its capital structure.

CONSOLIDATED FINANCIAL STATEMENTS**INDEPENDENT AUDITOR'S REPORT**

To the Members of
Deccan Gold Mines Limited,

Report on the Consolidated Financial Statements

1. We have audited the accompanying consolidated Ind AS financial statements of Deccan Gold Mines Limited (herein referred to as "the Holding Company"), its subsidiaries & its associate (the holding company, its subsidiaries & its associate together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2023, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement and the consolidated statement of changes in equity for the year ended, and a summary of significant accounting policies and other explanatory information (herein referred to as the consolidated Ind AS financial statements). Management's Responsibility for the Consolidated Financial Statements.
2. In our opinion and to the best of our information and according to the explanation given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2023, its Consolidated Loss and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 18 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

3. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Ind AS Consolidated financial statements and auditors' report thereon

4. The Holding Company's Management board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.
5. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

8. The Holding Company's Board of Directors is responsible for the preparation of these Ind AS financial statements in terms of the requirements of the companies Act, 2013 (herein referred to as "the act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows and changes in equity of the group in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, read with the rule 7 of the companies (accounts) rules, 2014. The respective board of directors of the companies included in the

CONSOLIDATED FINANCIAL STATEMENTS

group are responsible for maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error, which has been used for the purpose of preparation of the Ind AS consolidated financial statements by the Board of directors of the holding company, as aforesaid.

9. In preparing the Ind AS consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (If the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated financial statement. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities in then Consolidated financial statements.
13. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.
14. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE I

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated Ind AS financial statements of Deccan Gold Mines Limited ("the Holding Company"), its Subsidiary companies & its associates (the holding company, its subsidiaries & its associates together referred to as "the Group"), as of and for the year ended 31 March 2023, we have audited the internal financial controls over financial reporting (IFCoFR) of the holding company incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies & its associates company, which are the companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the criteria being specified by management. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Group's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles including the Ind AS. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other Matters paragraph below, the Holding and its one Indian Subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

1. SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31.03.2023**A. PRINCIPLES OF CONSOLIDATION**

The Consolidated Ind AS financial statements relate to Deccan Gold Mines Limited. ("the company") and its Subsidiary.

A. Basis of preparation of financial statements

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the quarter and year-to-date figures are taken from the source and rounded to the nearest digits, the quarter figures in these financial statements added up to the figures reported for the previous quarters might not always add up to the year-to-date figures reported in these financial statements.

B. Basis of consolidation

Deccan Gold Mines Limited consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as disclosed in Note: 45. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

C. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in the notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

B. SIGNIFICANT ACCOUNTING POLICIES**A. Revenue Recognition**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Exploration Income is recognized when services are rendered.
- ii. Interest Income is recognized on accrual basis
- iii. Dividend Income is accounted on accrual basis when the right to receive the dividend is established
- iv. Consultancy Income is recognized as and when services are rendered.

DECCAN GOLD MINES LIMITED

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

B. Property, plant and equipment:

Fixed assets are stated at cost of acquisition less accumulated depreciation if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready to use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Vehicles	8 Years
Computers	3 Years
Furniture	10 Years
Office Equipment	10 Years
Plant & Machinery	10 Years
Software	3 Years

Depreciation methods, useful lives and residual value are reviewed periodically, including at each financial year end.

“Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use the assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013”.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work – in - progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

C. Exploration and Evaluation Assets

Exploration and evaluation assets comprise capitalised costs which are attributable to the search for gold and related resources, pending the determination of technical feasibility and the assessment of commercial viability of an identified resource which comprises inter alia the following:

- researching and analysing historical exploration data;
- gathering exploration data through topographical, geo chemical and geo physical studies; exploratory drilling, trenching and sampling;
- determining and examining the volume and grade of the resource;
- surveying transportation and infrastructure requirements;
- Conducting market and finance studies.

The above includes employee remuneration, cost of materials and fuel used, payments to contractors etc. As the intangible component represents an insignificant/indistinguishable portion of the overall expected tangible costs to be incurred and recouped from future exploitation, these costs along with other capitalised exploration costs are recorded as exploration and evaluation asset.

Exploration and evaluation costs are capitalised on a project-by-project basis pending determination of technical feasibility and commercial viability of the project and disclosed as a separate line item under non-current assets. They are subsequently measured at cost less accumulated impairment/provision. Once proved reserves are determined, exploration and evaluation assets are transferred to “Development” under capital work in progress. However, if proved reserves are not determined, the exploration and evaluation asset is derecognised.

D. Development Expenditure

When proved reserves are determined, capitalised exploration and evaluation cost is recognised as assets under construction and disclosed as a component of capital work in progress under the head “Development”. All subsequent development expenditure is also capitalised.

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.**E. Intangible assets:**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over the irrespective individual estimated useful lives on a straight – line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

F. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account as and when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

G. Investments**Financial instruments**

- i. Financial assets
- ii. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

2. Subsequent measurement**a. Financial assets carried at amortised costs: (AC)**

Financial assets are subsequently measured at amortised costs if it is held within a business model and whose objective is to hold the asset in order to collect the contractual cash flows and contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal interest on the principal amount outstanding.

b. Financial assets at fair value through other comprehensive income: (FVTOCI)

A financial assets is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal interest on the principal amount outstanding.

c. Financial assets at fair value through profit and loss (FVTPL)

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

3. Equity instruments

All equity investments are measured at fair value, with value changes recognised in the statement of profit and loss, except for those equity investments for which the company has elected to present the value changes in 'other comprehensive income'.

4. Investment in Subsidiaries and Associates and Joint Venture :

The company has accounted for its investments in Subsidiaries and Associates and Joint Venture at cost and at amortised cost.

H. Foreign Currency**Functional Currency**

The functional currency of the company is the Indian Rupee. The financial statements are presented in Indian Rupees(Rounded off to Thousands).

Functional Currency Transactions and translations.

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at

DECCAN GOLD MINES LIMITED

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

I. Employee Benefits

- a. Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- b. Post employment benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The defined benefit obligation is provided for on the basis of an actuarial valuation on projected unit cost method.
- c. Long Term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services.

J. Taxation

- a. Provision for current tax is made with reference to taxable income computed for the accounting period, for which the financial statements are prepared by applying the tax rates as applicable.
- b. The Company has carried forward losses under Tax Laws. In absence of virtual certainty of sufficient future taxable income, deferred tax asset has not been recognized by way of prudence in accordance with Indian Accounting Standard 12 "Income Taxes" issued by The Institute of Chartered Accountants of India.

K. Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

L. Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes to the accounts. Contingent Assets are neither recognised nor disclosed in the financial statements.

M. Segmental Reporting:

The Company is mainly engaged in the business of gold exploration and mining. Considering the nature of business and financial reporting of the Company, the Company has only one segment viz; Gold Mining & Exploration.

Note 30: Fair Value measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans, security deposits and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 31: Acquiring stake in Geomysore Services (India) Private Limited (GMSI) pursuant to a share swap:

At its meeting held on November 30, 2022 the Board had approved the proposal for acquisition of stake in Geomysore Services (India) Private Limited. The Board noted that the acquisition of stake in GMSI was proposed to be achieved through a share swap which involves issue of equity shares and Compulsorily Convertible Debentures (CCDs) by the Company at the valuation / swap ratio as detailed in the joint Valuation Report dated November 30, 2022 issued by the Registered Valuer.

Subsequently, the shareholders of the Company had approved the proposal at their Extraordinary General Meeting held on December 23, 2022.

Accordingly, the Company had made an 'in-principle approval application to the Bombay Stock Exchange Limited (BSE) for issue of 33,507,789 equity shares at an issue price of Rs. 33.05/- per share (including a premium of Rs. 32.05/-) and 14,99,276 Compulsorily Convertible Debentures (CCDs) at an issue price of Rs. 33.05/- per CCD (including a premium of Rs. 32.05/-) to acquire 720,373 equity shares of GMSI at an issue price of Rs. 1606.09/- per share (of face value of Re.1- each). The price per share of the Company and GMSI and the swap ratio were arrived at based on the Valuation Report noted above.

The BSE accorded its 'in-principle' approval on February 21, 2023 and the Company completed the allotment of equity shares and CCDs towards acquisition of 720,373 equity shares of GMSI as noted above.

During September, 2022 the Company withdrew the Composite Scheme of Arrangement that it had filed with the Bombay Stock Exchange Limited, Mumbai (BSE) on October 20, 2021 due to the delay in the processing of the Application coupled with the substantial change in the shareholding pattern of GMSI since the filing of the Scheme with BSE.

By way of background, GMSI is a multi-metal exploration company based in Bangalore, India and has got a portfolio of mineral prospects which include mineral concession applications over the Kolar Gold Belt and the key Jonnagiri Gold Project in Andhra Pradesh over which it holds a granted and executed Mining Lease (ML).

Note 32: Financial Risk Management

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through the managing board, which evaluates and exercises independent control over the entire process of market risk management. The managing board recommend risk management objectives and policies, which are approved by Senior Management.

DECCAN GOLD MINES LIMITED

NOTES TO CONSOLIDATED IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023.

Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Note 33: Capital risk management

(a) Risk Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary, adjust, its capital structure.

Note 34: As the company doesn't own any immovable properties the disclosure regarding the title deeds not held in the name of the company, Valuation and revaluation of assets and others disclosure which are needed to be reported under Revised Schedule III, as amended by the Companies Act, 2013 are not applicable.

**STATEMENT SETTING OUT MATERIAL FACTS UNDER
SECTION 102 OF THE COMPANIES ACT, 2013**

ITEM NO. 3

The Members of the Company at the 38th (Thirty Eighth) Annual General Meeting held on September 28, 2022 had approved the re-appointment of M/s. P. R. Agarwal & Awasthi, Chartered Accountants, (FRN: 117940W) as the Statutory Auditors of the Company for a second consecutive term of five (5) years to hold office from the conclusion of 38th (Thirty Eighth) Annual General Meeting until the conclusion of the 43rd (Forty Third) Annual General Meeting of the Company.

Due to advanced age, the Statutory Auditor was not in position to devote time to clients and would like to reduce the professional assignments at hand and hence resigned as the Statutory Auditor of the Company with effect from the conclusion of ensuing 39th (Thirty Ninth) Annual General Meeting of the Company. However, as per the Circular No. CIR/CFD/CMD1/114/2019 dated October 18, 2019 the retiring auditors will issue the Limited Review Report for the quarter ended September 30, 2023.

Based on the recommendation of the Audit Committee, and the confirmation received from M/s. V. K. Beswal & Associates, Chartered Accountants (FRN: 101083W), on their eligibility, the Board of Directors have approved their appointment at their meeting held on September 4, 2023 and recommends to the Members their appointment as the Statutory Auditors of the Company to fill the casual vacancy created by the resignation of the Statutory Auditors. Since the said auditors have tendered their resignation with effect from the date of the Annual General Meeting, the new auditors have been appointed for a period of five years, from the conclusion of 39th (Thirty Ninth) Annual General Meeting till the conclusion of 44th (Forty Forth) Annual General Meeting of the Company.

In view of the above, the Board of Directors, on the recommendation of Audit Committee, recommends Ordinary Resolution as set out at Item No. 3 of the Notice for approval of the Members of the Company.

No person specified in Section 102 of the Companies Act, 2013 namely the Promoters, Directors, Key Managerial Persons, Relatives of Promoters, Directors and Key Managerial Persons are concerned or interested in the above resolution.

Item No. 4

Dr. Hanuma Prasad Modali (DIN: 01817724) was appointed as the Managing Director of the Company at the 37th Annual General Meeting of the Company held on December 22, 2021 for a period of 3 years from October 1, 2021 to September 30, 2024.

As per the terms of appointment, the Managing Director was entitled for the remuneration of Rs. 3,50,000/- (Rupees Three Lakh Fifty Thousand only) per month. Considering the latest developments including acquisitions made by the Company under the leadership of the Managing Director and initiatives taken by him to commence the mining activities, the Nomination and Remuneration Committee at its meeting held on September 4, 2023 recommended the revision in payment of remuneration of the Managing Director. The Board of Directors of the Company considered and recommended for the approval of members to such revision in remuneration of the Managing Director.

It is proposed to revise remuneration payable to the Managing Director to Rs. 9,00,000/- (Rupees Nine Lakhs only) per month as salary and allowances and all other terms and conditions of the appointment remained unchanged.

Dr. Hanuma Prasad Modali also holds the office of the Managing Director of GMSI, an Associate Company with effect from March 3, 2023. As per the resolution approved for his appointment he is entitled to a remuneration of Rs. 5,00,000/- (Rupees Five Lakh only) per month. Apart from the said Company, he is neither holding any Managerial position in the Company nor drawing any remuneration from any Company where he holds the office of Director. The payment of remuneration to the Managing Director is in compliance with Section 197, 198 and read with Schedule V of the Companies Act, 2013.

In view of the above, the Board of Directors, on the recommendation of Nomination and Remuneration Committee, recommends the Special Resolution as set out at Item No. 4 of the Notice for approval of the Members of the Company.

Apart from Dr. Hanuma Prasad Modali, none of the other persons specified in Section 102 of the Companies Act, 2013 namely the Promoters, Directors, Key Managerial Persons, Relatives of Promoters, Directors and Key Managerial Persons are concerned or interested in the above resolution.
