Dear Sir,

Sub:	Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 – intimation of commencement of pre-commercial production trials (PCOD) at the Jonnagiri Process Plant of Geomysore Services (India) Private Limited, India (“Geomysore)
-------------	--

We are pleased to intimate that the management of Geomysore (an associate company of Deccan Gold) has informed us about commencement of Pre Commercial production trials (PCOD) at the Jonnagiri Process Plant of the Company located in Andhra Pradesh, India. By way of background, it may be noted that Deccan Gold holds 27% stake in Geomysore with the majority stake being held by Thriveni Group / Lloyds Enterprises.

Further, Geomysore has intimated that the ore production is underway and processing plant trials have been initiated. With this, the Jonnagiri Gold Project has transitioned from development to pre-commercial trial production stage and commercial production is targeted to begin in November, 2025. The Project is expected to scale up over time and produce up to 900 kgs of refined gold annually by FY 2028.

Commenting on this development, **Dr Hanuma Prasad Modali, Managing Director of Deccan Gold Mines Limited**, stated:

“This is a major achievement which lays the foundation stone for the revival of the gold mining industry in India. It will boost further investments into the gold mining sector in India, which is obviously in need of capital infusion and new discoveries. As a key shareholder of Geomysore, Deccan Gold is proud to be part of this project. I extend my sincere appreciation to all stakeholders and teams, whose vision, commitment and perseverance have enabled Geomysore to reach this pivotal stage in its journey.”

We request the BSE to take the above Update on record and oblige.

Yours truly
For **Deccan Gold Mines Limited**
