@Brief description of Object(s):

As per Letter of Offer

S.no	Name of the object(s)	Brief description of the object(s)
1	Repayment of Inter Corporate Deposit availed by the Company from Godawari Power and Ispat Limited, Ardent Steel Private Limited and Hira Ferro Alloys Limited	For the purpose of expansion of operations and investments over the last three years, the company had availed Inter Corporate Deposits from Godawari Power and Ispat Limited, Ardent Steel Private Limited and Hira Ferro Alloys Limited. As on October 31, 2025, the aggregate of the amount outstanding against such ICD is Rs 203.00 crores. The Company proposes to utilise an estimated amount of up to Rs 203.00 crores from the Net Proceeds towards full repayment of the said ICD availed by the Company which was utilised towards the business of mining and processing of precious metals, including Avelum Partner LLC, Kyrgyzstan (for development of Altyn Tor Gold Project), capital expenditure for mining business, payment of taxes and other statutory dues, working capital, payment of interest on ICD and general corporate purposes.
2	Investment in Avelum Partner LLC, Kyrgyzstan, the subsidiary for further project development and enhancement of resources at its Altyn Tor Gold Mine, Kyrgyzstan	The company intends to expand the operations and market presence by further exploration and additional resource growth at the Altyn Tor Gold Mine, Kyrgyzstan. By expanding the operations through these new developments, it aims to capitalize on market demand and strengthen the position in the industry.
3	Funding strategic investment and acquisition to pursue inorganic growth for development of new brownfield exploration projects	In pursuit of overall strategy to continue growing the business, the company intend to keep pursuing strategic investments and acquisitions which are complementary to the business to increase the mining activities, directly or through investments in Subsidiaries or Associates. The company continue to selectively pursue opportunities for evaluating potential targets for strategic investments, acquisitions, and partnerships.
4	General Corporate Purposes	The Net Proceeds will first be utilised towards the Objects, as set out above. Subject to this, the Company intends to deploy any balance left out of the Net Proceeds towards general corporate purposes and the business requirements of the Company, Subsidiaries and Associates, as

		approved by the Board, from time to time, subject to such utilisation for general corporate purposes not exceeding 25% of the Net Proceeds, in compliance with the SEBI ICDR Regulations.
5	Issue Expenses	The total estimated issue expenses are Rs 1.51 crore, representing 0.48% of the total issue size. The largest component comprises fees payable to the Advisor to the Issue and other professional service providers at Rs 0.89 crore (58.76% of total issue expenses), followed by regulatory fees of Rs 0.39 crore (25.72%). Any variation between estimated and actual issue expenses will be adjusted against the amount allocated towards general corporate purposes.

The company continue to selectively pursue opportunities for evaluating potential targets for strategic investments, acquisitions, and partnerships.
4	Subscription of Rights Issue in the Associate Company "Geomysore"	Geomysore Services India Private Limited ("Geomysore"), an associate company of Deccan Gold Mines Limited, in which the Company currently holds 10,53,730 equity shares representing 26% of its paid-up equity share capital (post the recent acquisition of 14,127 equity shares at a

		price of Rs 1,600 per share, underscoring the strategic importance of this investment), has announced a rights issue of equity shares in the ratio of 2:1, aggregating to approximately Rs 200 crore at an issue price of Rs 250 per equity share. The proceeds are intended, inter alia, to support its ongoing and long-term business development activities. The Board is of the view that participation in Geomysore's rights issue by the Company (to the extent of its entitlement and potential renunciations, if any) is necessary to: 1. Prevent dilution of its existing 26% shareholding; 2. Enhance exposure to a near-producing gold asset, namely the Jonnagiri Gold Project, which has demonstrated technical and operational viability through trial production; and 3. Safeguard the Company's strategic and economic interests in Geomysore, while positioning itself to benefit from the potential upside of the project's transition into commercial production.
5	General Corporate Purposes	The Net Proceeds will first be utilised towards the Objects, as set out above.
